

## 2020 SCHOOL BOARD CANDIDATE SURVEY

Protect Student Health Georgia is a group of concerned citizens with a mission to advocate for Sexual Risk Avoidance (SRA) education, prevent teen pregnancy, and reduce sexually transmitted diseases. We seek to educate communities to protect our children's health and families' moral values from the harm caused by teaching the Comprehensive Sexuality Education (CSE) as advocated by Planned Parenthood, GCAPP, and other groups in Georgia. To assist voters in identifying candidates who will defend our children from the harm of CSE, Protect Student Health Georgia is conducting this Survey. Thank you for taking the time to respond and consider carefully each issue.
