### ***protectnebraskachildren.org***

Newly formed! Sign the petition and share with your friends and family. You must indicate, below the petition, that you want to *join the coalition* and receive ALERTS! This will be the best way to keep updated on upcoming meetings and next ACTION steps. You have access to incredible data, facts, and research on this website. The videos are powerful and have immediate impact when shared! The website has a section **Print These Now**, with material to share with family, friends, groups, churches, organizations, etc. It also has a section **What do I do now?**-this is the place to go for our next ACTION steps! The website contains information for the Nebraska Department of Education with links to valuable information. Look for **How Do I Protect My Child?** It contains the **Defenders Toolkit** which has specific examples of comprehensive sexuality education curriculum and so much more! Within the toolkit, is a very helpful **Chart of Sex Ed Terms**. This will help you understand the terminology used in the standards. Use the **Contact Us** form on this website if you would like to get involved or have any questions!
